

Protective Executive UL™ (EUL)

Protective Executive 10-Year Term (E10)

Insurer: Protective Life

Administrator: Dye & Eskin, Inc. (D&E)

Protective Executive UL (EUL) is an institutional purchase (employer paid) life insurance program on the lives of a distinct group of highly compensated employees without exception, delivered by the issuance of individual insurance policies, underwritten on a guarantee issue type basis.

The Client Employer is making a corporate decision to provide a foundation of life insurance on a select category of highly compensated employees -- to provide such coverage during the working years of these employees while they work for this particular Client Employer.
